**Notes:**

To assure the highest quality experience for all participants, maximum enrollments will be limited to 24 individuals on a first-come, first-served basis as determined by postmark.

The minimum number of enrollments needed to present the workshop is 14. Your check will be held until that number of enrollments has been received. In the event that this minimum is not met by September 27, 2010, the class will be cancelled and you will be notified via email. At such time, I will return your check to you via snail-mail.

If you decide to cancel after you have sent payment, you must inform me verbally or via email at or before 5pm P.S.T. on September 27, 2010 for a full refund (less a \$25 service and processing charge). No refunds after September 27, 2010.

At the workshop, you will receive your receipt for payment and a letter from NASLA certifying that you attended.
